STANDARD POWER ELEVATING SEAT

ENHANCED! Sundancer®

UNMATCHED MOBILITY WITH AN ADDED DIMENSION

3-WHEEL SCOOTER

Contemporary styling and superb performance complement one another perfectly in the **Sundancer** scooter. The Sundancer offers power, range and comfort plus a wealth of standard convenience features—like a standard power elevating seat—that help you accomplish your daily activities with ease. Highly maneuverable indoors, with the power, durability and balance for outdoor use.

The **Sundancer** delivers mobility plus! Just think of all you'll accomplish with the help of the Sundancer's ***standard power elevating seat:***

- Instantly be at eye level with your family, friends and co-workers to engage in conversation and enjoy more intimate social interaction
- Gain easier access to your environment to more readily accomplish all of your daily activities
- Increase your independence—reach the things you need without having to ask for assistance
- Assist with transfers
- ***Take control of your life!***

"Power seat elevators for many of my clients are critical and absolutely medically necessary. They allow my clients to reach and carry out mobility related activities of daily living at different heights, without causing as much strain on the back and upper extremeties."
